**SER.7 BOSTON ROAD RECREATION GROUND – Request use of Boston Road Rec for a charity carnival.**

The Chairman explained the request and said the carnival seems a good idea, but there are 2 factors to be considered and these may in time form the basis for two recommendations the Services Committee may wish to make:

- 1) Will the Council in principle support this venture and be prepared to allow the recreation ground to be used on July 21<sup>st</sup> 2013, noting that by doing so it may prevent for up to 3 days the normal unrestricted use of the recreation ground to other users. This is about the time schools break up for the summer holidays and STC has not hired out the Rec to any other body on that date.
- 2 That the Council may wish to have the fullest details possible of the activities at the Carnival and would need to ensure that all matters relating to licensing, risk assessment, public order, vehicle traffic, comprehensive insurance covering all eventualities, financial provision and management and so on are known, have been discussed and have been covered before any hiring agreement, schedule of conditions and lists of waivers and/or liabilities have been agreed and signed.

Members thought the idea of a carnival is an excellent one. Questions were asked about how much of the Recreation Ground would be used and would the carnival have a procession through the Town.

Cllr J Titmus left the meeting.

The Chairman proposed that the Council supports the re-introduction of a summer carnival in Sleaford and to that end agrees in principle the use of the Boston Road Recreation Ground on July 21<sup>st</sup> 2013 subject to a satisfactory agreement by the Sleaford Carnival Committee to meet all terms and conditions that the Council may wish to impose. Seconded by Cllr M Allan.

Vote – 7 for. The Resolution was passed.

It was proposed by Cllr M Allan that the Council seeks from Sleaford Carnival Committee full details of all event and activities planned to take place in or around the Boston Road Recreation Ground and provides a protocol or agreement to suit the matter. The signing by both parties of such a contract to be the Council's final agreement to the hiring of the Ground. Seconded by Cllr D Birks.

Vote – 7 for. The Resolution was passed.

The general view of the committee is to use the Car Park in a way which supports the businesses and shops and the people of Sleaford.

Cllr H Lorimer commented that more long term parking is needed as many people park in residential streets.

The Chairman explained some costs.
